	Note about your registration:		
	You are about to create a user account for an application of the Siemens Online Services. For these Siemens Online Services, which include several applications, e.g. Industry Mall, Siemens Industry Online Support, Online Software Delivery, Partner Portal, etc. we are using a central Single Sign-On Service (WebSSO). This Single Sign-On Service enables you to use the applications for which you are authorized with just one single user account (login).		
	After logging into one of the applications per Single Sign-On Service, you can easily switch to another application within a browser session and stay logged in with your user account.		
	Please be aware, that for each application using the Single Sign-On Service, specific data privacy notices or terms of use may apply.		
	Data privacy notice / terms of use for Siemens online services     (using the single sign-on service)		
	$\textcircled{\ensuremath{\mathbb{C}}}$ I confirm that I have read these data privacy notices and agree to the terms of use. *		
	Consent to the use of your personal data to improve our personalized Online Offerings and to enable optimal consulting by our sales department		
	$\textcircled{\ensuremath{\mathbb{C}}}$ I hereby consent to the use of my data as described above.		
	Consent to receiving marketing information based on my personal interests		
	Yes, I would like to receive marketing information from Siemens based on my personal interests and give my consent as described in detail here.		
	Export Control Clause – Compliance with Export Control Regulations		
	I consent to the terms of use.		
	Consent in the use of your personal data for the "Manage Accounts" function (Administration function of your existing user accounts)		
	I hereby consent to the use of my data as described above.
